NCO Reflection Activity

1. In your opinion, to which extent did these consultations contribute to the achievement of the following outcomes? (Mark with an X)

Outcome	1 None	2	3	4	5 Very much
<i>Improved understanding of the level of disaster resilience at the local level in the community</i>					
<i>Improved dialogue between public, civil society and community actors responsible for disaster risk reduction</i>					
<i>Improved understanding on progress towards implementation of the HFA within governmental and civil society bodies</i>					
<i>Increased research, analytical and advocacy capabilities among project participants</i>					
<i>Strengthened public accountability for the implementation of the Hyogo framework</i>					

2. Were there any surprises - positive or negative – during the consultations? Please describe:

3. What are the three main challenges you faced in conducting the community consultation?

- (i) _____
- (ii) _____
- (iii) _____

4. What did you learn from this activity and what do you think should be done differently in the future?

Thank you!
